Remembering Zion is a deeply spiritual novel of love set in the beauty and splendor of the American Southwest and Mexico. It is about a man who finds his perfect love and then loses her, only to be given gifts he never dreamed were possible. *Remembering Zion* is a journey of the heart and the soul. It is about the wonder and immortality of love.

The author writes: "For those of you who believe in the notion of the Beshert, that for everyone there is a chosen one with whom we can achieve an immortal love, I hope you find this novel as touching to read as it was for me to write."

Morley Glicken is the author of *Ending the Sex Wars: A Woman's Guide to Understanding Men*, also published by iUniverse. The novel takes many of the ideas presented about love in that book and applies them to people who are as real and memorable as those in our own lives.

Remembering Zion has wonderfully romantic descriptions of Mexico and the Southwest, beautiful love poetry, and unforgettable characters who love deeply and show the reader how spiritual love leads to love for the ages, eternal love.
